Subject: Proposed Rule CrR 4.11

Ms. Faulks:

Please forward this email to the Justices. I am urging them to adopt proposed CrR 4.11, which would provide a right to memorialize witness interviews in criminal cases. This rule would promote the truth-finding function of trials. Witness interviews are of little use if the parties have no firm proof of what the witness said. The rule also protects the witnesses themselves, since they do not have to worry about being misquoted.

Thank you for your consideration.
